

# The Sinking Of Titanic

JESUITS TREACHERY AT ITS FINEST

## WORLD HISTORY

BY : PG / BG -- Historian

Do you still remember the Hollywood block-buster movie film TITANIC with actor Leonardo de Caprio ? A romance and love story happened during the ship's voyage from England to America ? Well, it is not the real story or perhaps just a part of the story. What you'll read below is the true story as to what really happened to the famous cruise ship called Titanic. The information you'll read below are not conspiracy theory, but rather well-recorded in the books of World History.

**The greatest tragedies in the last two hundred years can be traced to the Jesuits. We will now show that the Jesuits planned and carried out the sinking of the Titanic, and we will show why they did it.**

**Since the early 1830's, America did not have a central bank. The Jesuits desperately wanted another central bank in America so that they would have a bottomless reservoir from which to draw money for their many wars and other hideous schemes around the world.**

**In 1910, seven men met on Jekyll Island just off the coast of Georgia to establish a central bank, which they called the Federal Reserve Bank. These men were Nelson Aldrich and Frank Vanderlip, both representing the Rockefeller financial empire; Henry Davison, Charles Norton, and Benjamin Strong, representing J.P. Morgan; and Paul Warburg, representing the Rothschild banking dynasty of Europe. We have already seen that the Rothschilds were the banking agents for the papacy's Jesuits, holding the key to the wealth of the Roman Catholic Church.**

*The Morgans were friendly competitors with the Rothschilds and became socially close to them. Morgan's London-based firm was saved from financial ruin in 1857 by the Bank of England over which the Rothschilds held great influence. Thereafter, Morgan appears to have served as a Rothschild financial agent and went to great length to appear totally American....*

*His [Rockefeller's] entry into the field was not welcomed by Morgan, and they became fierce competitors. Eventually, they decided to minimize their competition by entering into joint ventures. In the end, they worked together to create a national banking cartel called the Federal Reserve System. □ **G. Edward Griffin, *The Creature from Jekyll Island*, American Opinion Publishing, p. 209. (Emphasis supplied).***

These three financial families, the Rothschilds, Morgans, and Rockefellers all do the bidding of the Jesuit Order because of Jesuit infiltration in their organizations. They do whatever is necessary to destroy constitutional liberty in America and to bring the pope to world domination. As we look back over the 20th century, we see how successful the Jesuits have been. They have continued to squander the wealth of America and continually attack its great constitution and civil liberties. Daily, the power of the pope in Vatican City increases. One day they will achieve total power again.

The building of the Titanic began in 1909 at a shipyard in Belfast, the capitol of Northern Ireland. Belfast was a Protestant haven and was hated by the Jesuits. World War One began just a few years later.

The Titanic was one of a fleet of ships owned by the White Star Line, an international shipping company.

*Banking was not the only business in which Morgan had a strong financial interest. Using his control over the nation's railroads as financial leverage, he had created an international shipping trust which included Germany's two largest lines plus one of the two in England, the White Star Lines. □ Ibid, p. 246.*

There were a number of very rich and powerful men who made it abundantly clear that they were not in favor of the Federal Reserve System. J.P. Morgan was ordered by the Jesuits to build the Titanic. This "unsinkable" ship would serve as the death ship for those who opposed the Jesuits' plan for a Federal Reserve system. These rich and powerful men would have been able to block the establishment of the Federal Reserve, and their power and fortunes had to be taken out of their hands. They had to be destroyed by a means so preposterous that no one would suspect that they were murdered, and no one would suspect the Jesuits. The Titanic was the vehicle of their destruction. In order to further shield the papacy and the Jesuits from suspicion, many Irish, French, and Italian Roman Catholics immigrating to the New World were aboard. They were people who were expendable. Protestants from Belfast who wanted to immigrate to the United States were also invited on board.

Even the faithful and good Roman Catholic people were betrayed by the Jesuits. Irish, French and Italian Roman Catholics aboard Titanic ship perished in the middle of the cold water of the Atlantic Ocean.

All the wealthy and powerful men the Jesuits wanted to get rid of were invited to take the cruise. Three of the richest and most important of these were Benjamin Guggenheim, Isador Strauss, the head of Macy's Department Stores, and John Jacob Astor, probably the wealthiest man in the world. Their total wealth, at that time, using dollar values of their day was more than 500 million dollars. Today that amount of money would be worth nearly eleven billion dollars. These three men were coaxed and encouraged to board the floating palace. They had to be destroyed because the Jesuits knew they would use their

wealth and influence to oppose a Federal Reserve Bank as well as the various wars that were being planned.

John Jacob Astor is the wealthiest man aboard the Titanic. John Jacob Astor was the original owner of the famous Empire State Building in New York City.

Edward Smith was the captain of the Titanic. He had been traveling the North Atlantic waters for twenty-six years and was the world's most experienced master of the North Atlantic routes. He had worked for Jesuit, J.P. Morgan, for many years.

Edward Smith was a □Jesuit tempore Co-Adjutor.□ This means that he was not a priest, but he was a Jesuit of the short robe. Jesuits are not necessarily priests. Those who are not priests serve the order through their profession. Anyone could be a Jesuit, and their identity would not be known. Edward Smith served the Jesuit Order in his profession as a sea captain.

Many interesting points about the Titanic are discussed in a videotape made by National Geographic in 1986. The videotape is entitled *The Secrets of the Titanic*. When the Titanic departed from Southern England on April 10, 1912, Francis Browne, the Jesuit master of Edward Smith, boarded the Titanic. This man was the most powerful Jesuit in all of Ireland and answered directly to the general of the Jesuit Order in Rome. The videotape declares :

*A vacationing priest, Father Francis Browne, caught these poignant snapshots of his fellow passengers, most of them on a voyage to eternity. The next day Titanic made her last stop off the coast of Queenstown, Ireland. Here tenders brought out the last passengers; mostly Irish immigrants headed for new homes in America. And here, the lucky Father Browne disembarked.... Father Browne caught Captain Smith peering down from Titanic's bridge, poised on the brink of destiny. □ **The Secrets of the Titanic, National Geographic, video tape, 1986.***

*Here is Jesuit treachery at its finest. The Provincial [Father Francis Browne] boards Titanic, photographs the victims, most assuredly briefs the Captain concerning his oath as a Jesuit, and the following morning bids him farewell. □ **Eric J. Phelps, Vatican Assassins, Halycon Unified Services, p. 427.***

Browne went over with Edward Smith one last time exactly what he was supposed to do in the North Atlantic waters. The Jesuit General told Francis Browne what was to happen; Browne then tells Smith and the rest is history. Edward Smith believed that the Jesuit General

*. . . is the god of the [Jesuit] society, and nothing but his electric touch can galvanize their dead corpses into life and action. Until he speaks, they are like serpents coiled up in their wintry graves, lifeless and inactive; but the moment he gives the word of command, each*

*member springs instantaneously to his feet, leaving unfinished whatsoever may have engaged him, ready to assail whomsoever he may require to be assailed, and to strike wheresoever he shall direct a blow to be stricken.* □ *R.W. Thompson, The Footprints of the Jesuits, Hunt and Eaton, pp. 72, 73.*

*Edward Smith was given an order to sink the Titanic and that is exactly what he did. By the command of God, [the Jesuit General] it is lawful to murder the innocent, to rob, to commit all lewdness, because he [the Pope] is Lord of life, and death, and of all things; and thus to fulfill his mandate is our duty.* □ *W. C. Brownlee, Secret Instructions of the Jesuits, American and Foreign Christian Union, p. 143.*

*There is no record in history of an association whose organization has stood for three hundred years unchanged and unaltered by all the assaults of men and time, and which has exercised such an immense influence over the destinies of mankind* □ *The ends justify the means,* □ *is his favorite maxim; and as his only end, as we have shown, is the order, at its bidding the Jesuit is ready to commit any crime whatsoever.* □ *G. B. Nicolini, The History of the Jesuits, Henry G. Bohn, pp. 495, 496, emphasis added.*

Let us remember the oath that every person takes to become a part of the Jesuit Order :

*I should regard myself as a dead body, without will or intelligence, as a little crucifix which is turned about unresistingly at the will of him who holds it as a staff in the hands of an old man, who uses it as he requires it, and as it suits him best.* □ *R. W. Thompson, The Footprints of the Jesuits, Hunt and Eaton, p. 54.*

When a person takes the Jesuit Oath, he is bound to his master until the day that he dies. Edward Smith had become a man without will or intelligence. He would commit any crime the Order wanted him to commit. Edward Smith had been required for martyrdom. On board the Titanic that night, Edward Smith knew his duty. He was under oath. The ship had been built for the enemies of the Jesuits. After three days at sea with only one pair of glasses for the bridge, Edward Smith propelled the Titanic full speed ahead, twenty-two knots, on a moonless dark night through a gigantic ice field nearly eighty square miles in area. Edward Smith did this despite at least eight telegrams warning him to be more cautious because he was going too fast.

Did Edward Smith need one caution? No, he had been traveling those waters for twenty-six years. He knew there were icebergs in that area. But eight cautions did not stop this man who was under the Jesuit oath, and under orders to destroy the Titanic.

The absurdity of warning veteran Captain Edward Smith repeatedly on Titanic's tragic night to slow down is nothing short of preposterous. The fact that Smith never listened or heeded the warnings is insane. He had been given orders from his god in the Vatican, and nothing would turn him from his course. The encyclopedias paint a very tragic picture of Smith in his last hours. When it came time to give the order to load and lower the lifeboats,

Smith wavered and one of his aids had to approach him for the order to be given. Smith's legendary skills of leadership seem to have left him; he was curiously indecisive and unusually cautious on that fatal night. Are these words to describe a legendary sea captain with 26 years of experience, or are these words to describe a man who was struggling in his mind whether he should do his duty as a sea captain or obey his master who told him to sink the ship?

John Jacob Astor's wife got into a life boat and was saved, while John Jacob Astor perished in the waters of the North Atlantic. There were not enough lifeboats and many of them were only half full with only women and children. To prevent nearby freighters from responding with help, the distress flares were white when they should have been red. White flares to passing freighters state that everybody was having a party.

One of the greatest tragedies of the twentieth century, the sinking of the Titanic, lies at the door of the Jesuit Order. The unsinkable ship, the floating palace was created to be the tomb for the wealthy, who opposed the Federal Reserve System. By April, 1912, all opposition to the Federal Reserve was eliminated. In December of 1913, the Federal Reserve System came into being in the United States. Eight months later, the Jesuits had sufficient funding through the Federal Reserve bank to begin World War One.

## THE MASTERMINDS

that will finance **Russian Communist Revolution**

And The **Second 30-Years War** (1914 - 1945)

And other wars to come under the expense of the  
innocent American people's money and resources

And Nelson Aldrich, Frank Vanderlip, Rockefellers, Henry Davison, Charles Norton, J.P. Morgan, Paul Warburg are traitors to the American people, traitors to the American flag and its constitution. These men sold their citizenship to Rome (Jesuits-Vatican) instead of their allegiance to the United States Of America.

Rockefellers and Rothschild belongs to the 13-Satanic Illuminati Bloodlines. Illuminati, a satanic secret brotherhood / society established by a Jesuit named Adam Weishaupt at the Jesuits University Of Ingolstadt in Bavaria, Germany on May 1, 1776.

The Father Browne photograph collection contains the sole of Titanic photographs taken during the Titanic passage from Southhampton to Ireland. From 1911 to 1916, Frank Browne studied Theology at Milltown Park, Dublin. It was during this period that his uncle Robert (Bishop of Cloyne) sent him an unusual present : a ticket for the first legs of maiden voyage of the Titanic, sailing from Southhampton to Cherbourg and then on the Queenstown (Cobh), Co Cork, Ireland.

While on board, an American millionaire offered to pay his way for the rest of the voyage to New York. On being appraised on this suggestion, Frank's Jesuit Superior General cabled Queenstown saying, succinctly **GET OFF THAT SHIP PROVINCIAL**. [Right ! Because, Fr. Francis A. Browne is the Provincial Superior Of The Jesuits In Ireland and Off That Ship, because the Jesuits and he himself will sink the Titanic deliberately as planned.]

After the tragedy, Frank Browne's photographs appeared on the front pages of newspapers around the world. He had taken the last picture of Capt. Smith and the only man ever taken into the Marconi room.

Photos taken by Fr. Francis Browne aboard and overlooking the Titanic before they deliberately sunk the Titanic Ship

Yes, on April 15, 1912 - The Jesuit Order sunk the famous ship Titanic, killing John Jacob Astor, Benjamin Guggenheim and Isador Strauss (men opposed to the creation of the Federal Reserve Bank).

Exactly, one year after the Titanic sunk in the middle of Atlantic Ocean, the FEDERAL RESERVE BANK WAS ESTABLISHED and ready to finance the Russian Communist Revolution and The Second 30-Years War.

**According to Thomas Schauf :**

**Dear American :**

**Pursuant to your request, I will attempt to clear up questions you have about the Federal Reserve Bank (FED). I spent much time researching the FED and these are the shocking and revealing conclusion :**

**THE FEDERAL RESERVE BANK Is A Private Company.**

**Who actually owns the Federal Reserve central Banks ? The ownership of the 12 Central Banks, a very well kept secret, has been revealed :**

**ROTHSCHILD BANK OF LONDON  
WARBURG BANK OF HAMBURG  
ROTHSCHILD BANK OF BERLIN  
LEHMAN BROTHERS OF NEW YORK  
LAZARD BROTHERS OF PARIS  
KUHNS LOEB BANK OF NEW YORK  
ISRAEL MOSES SEIF BANKS OF ITALY (Zionist Jew)  
GOLDMAN-SACHS OF NEW YORK  
WARBURG BANK OF AMSTERDAM  
CHASE MANHATTAN BANK OF NEW YORK**

Please, keep in mind as per World History. The **House Of Rothschild** is the banker and key guardian of the Vatican Treasury (Wealth) under the Black Papacy □ The Jesuit Superior General □. Honest and reliable world historian knew it long time ago.

# Congressman Louis T. McFadden's Speech On the Federal Reserve Corporation

## The Federal Reserve-A Corrupt Institution

*Mr. Chairman, we have in this Country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks, hereinafter called the Fed. The Fed has cheated the Government of these United States and the people of the United States out of enough money to pay the Nation's debt. The depredations and iniquities of the Fed has cost enough money to pay the National debt several times over.*

*This evil institution has impoverished and ruined the people of these United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates, through the mal-administration of that law by the Fed and through the corrupt practices of the moneyed vultures who control it.*

*Some people who think that the Federal Reserve Banks United States Government institutions. They are private monopolies which prey upon the people of these United States for the benefit of themselves and their foreign customers; foreign and domestic speculators and swindlers; and rich and predatory money lender. In that dark crew of financial pirates there are those who would cut a man's throat to get a dollar out of his pocket; there are those who send money into states to buy votes to control our legislatures; there are those who maintain International propaganda for the purpose of deceiving us into granting of new concessions which will permit them to cover up their past misdeeds and set again in motion their gigantic train of crime.*

*These twelve private credit monopolies were deceitfully and disloyally foisted upon this Country by the bankers who came here from Europe and repaid us our hospitality by undermining our American institutions. Those bankers took money out of this Country to finance Japan in a war against Russia. They created a reign of terror in Russia with our money in order to help that war along. They instigated the separate peace between Germany and Russia, and thus drove a wedge between the allies in World War. **They financed Trotsky's passage from New York to Russia so that he might assist in the destruction of the Russian Empire. They fomented and instigated the Russian Revolution, and placed a large fund of American dollars at Trotsky's disposal in one of their branch banks in Sweden so that through him Russian homes might be thoroughly broken up and Russian children flung far and wide from their natural protectors.***

*They have since begun breaking up of American homes and the dispersal of American children. "Mr. Chairman, there should be no partisanship in matters concerning banking and currency affairs in this Country, and I do not speak with any.*

*In 1912 the National Monetary Association, under the chairmanship of the late Senator Nelson W. Aldrich, made a report and presented a vicious bill called the National Reserve Association bill. This bill is usually spoken of as the Aldrich bill. Senator Aldrich did not write*

*the Aldrich bill. He was the tool, if not the accomplice, of the European bankers who for nearly twenty years had been scheming to set up a central bank in this Country and who in 1912 has spent and were continuing to spend vast sums of money to accomplish their purpose.*

*We were opposed to the Aldrich plan for a central bank. The men who rule the Democratic Party then promised the people that if they were returned to power there would be no central bank established here while they held the reigns of government. Thirteen months later that promise was broken, and the Wilson administration, under the tutelage of those sinister Wall Street figures who stood behind Colonel House, established here in our free Country the worm-eaten monarchical institution of the "King's Bank" to control us from the top downward, and from the cradle to the grave.*

*The Federal Reserve Bank destroyed our old and characteristic way of doing business. It discriminated against our 1-name commercial paper, the finest in the world, and it set up the antiquated 2-name paper, which is the present curse of this Country and which wrecked every country which has ever given it scope; it fastened down upon the Country the very tyranny from which the framers of the Constitution sought to save us.*

The above information will shatter the foundation of the CPP-NPA / NDF in the Philippines (Jose Maria Sison, Luis Jalandoni, Ka Roger Rosal, Satur Ocampo, Beltran, Teddy Casino and others having communist ideology ☐ once they knew these dark secret, they will blown out of their socks in shocks).

Indeed, as per world history, the Jesuits are the secret entity that perfected the Tenets Of Communism, started way back in the **Jesuits Reductions Of Paraguay.**

**Jesuit Order tutored Karl Marx concerning tenets of communism inside the British Museum on 1848. The Jesuits tutored Karl Marx for nearly 30-years.**

**Lenin was trained by the Jesuit Order in Geneva Switzerland, it was Diego Bergen Germany's ambassador to the Vatican during Germany's Weimar Republic & during Hitler's NAZI Germany that provided transport for Lenin into Russia via Vatican's Sealed Train.**

**Josef Stalin was trained by the Jesuit Order inside the Orthodox Seminary in Tiflis, Georgia. Russia. Together with Stalin was Cardinal Agagianian.**

It matches from Congressman McFadden's speech in the U.S. Congress that the Jesuit's established Federal Reserve Bank financed communist revolution in Russia. Below are more speeches from Congressman Louis McFadden inside the United States Congress. Due to the expose by Congressman McFadden there was so many attempts in his life. From his colleagues in the congress and few historians did mentioned that Congressman McFadden died due to poison, the ☐Jesuit's Poison Cup☐.

The establishment of the Federal Reserve Bank was a JESUIT ORDER's MASTERPIECE. The Sinking Of Titanic is a JESUIT ORDER's TREACHERY AT ITS FINEST.

When it comes to well-hidden / dark secrets World Historical events - few honest and reliable historians knew it well. Millions of people around the world, even the most-high intellects (presidents, prime ministers, senators, congressmen, ministers, businessmen, TV & Radio news

reporters, media personnel, showbiz personalities, elite and rich families, university professors, teachers, military & police officers, professionals, etc.) are unaware of these facts. **Without in-depth knowledge of World History it will be difficult for them to connect all the dots.** Even up to this present time, millions of innocent American people are betrayed and victims. Without their slightest knowledge that their Federal Reserve Bank is privately owned. secretly created by the Jesuits fronting proxies under their pocket-payment. Since the beginning of the Jesuit Order's conception year 1540 up to this present time, the Jesuit Order of the Roman Catholic Church is the most powerful entity in this world. In-depth knowledge of World History is one of the best ways to detect the illusiveness and invincibility of the Jesuits. Even the so called "Most Powerful Nation In The World" " The United States, the Jesuits successfully established the Federal Reserve Bank. How much more a third world country. Also, as per world history " **The Bank Of America and Lockheed Martin Corp. (Aviation-Space-Defense Contractor) are owned by the Jesuits.**

**No political event or circumstance can be evaluated without the knowledge of the Vatican's part in it. And no significant world situation exists in which the Vatican does not play an important explicit or implicit role - - - *AVRO MANHATTAN, English Historian, 1960 The Vatican And World Politics.***
